How to Create an Account in FinnlySport

Creating a FinnlySport account allows you to register for Twin Rinks programs and activities, manage members of your household and access other online services.

Step 1: Go to the Twin Rinks FinnlySport Portal

Visit: https://twinrinks.finnlyconnect.com

Select **CREATE ACCOUNT HERE**.

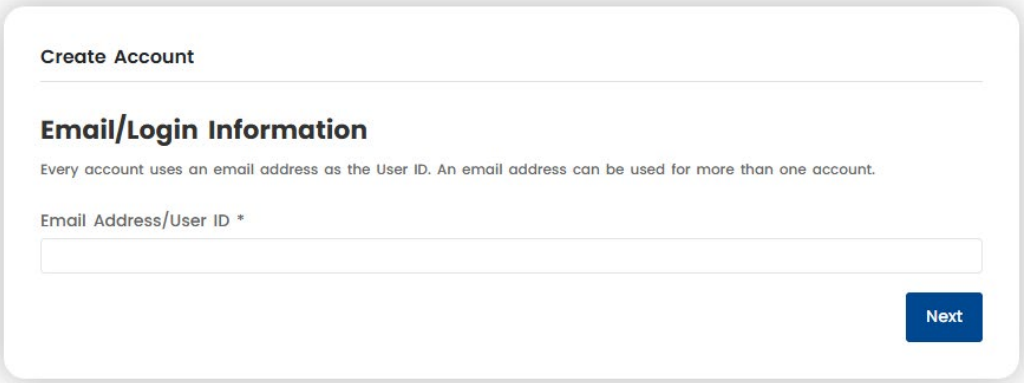

Step 2: Enter Your Email Address

Enter the personal email address you would like to use to log in to your individual or household account in the **Email Address/User ID** field.

Select **Next**.

Important: Use an email address you regularly have access to. FinnlySport will send a security code to this email later in the account creation process.

If you receive a message saying **Account(s) Exist**, you may already have a FinnlySport account associated with your email address. See **Already Have an Account?** at the end of this guide.

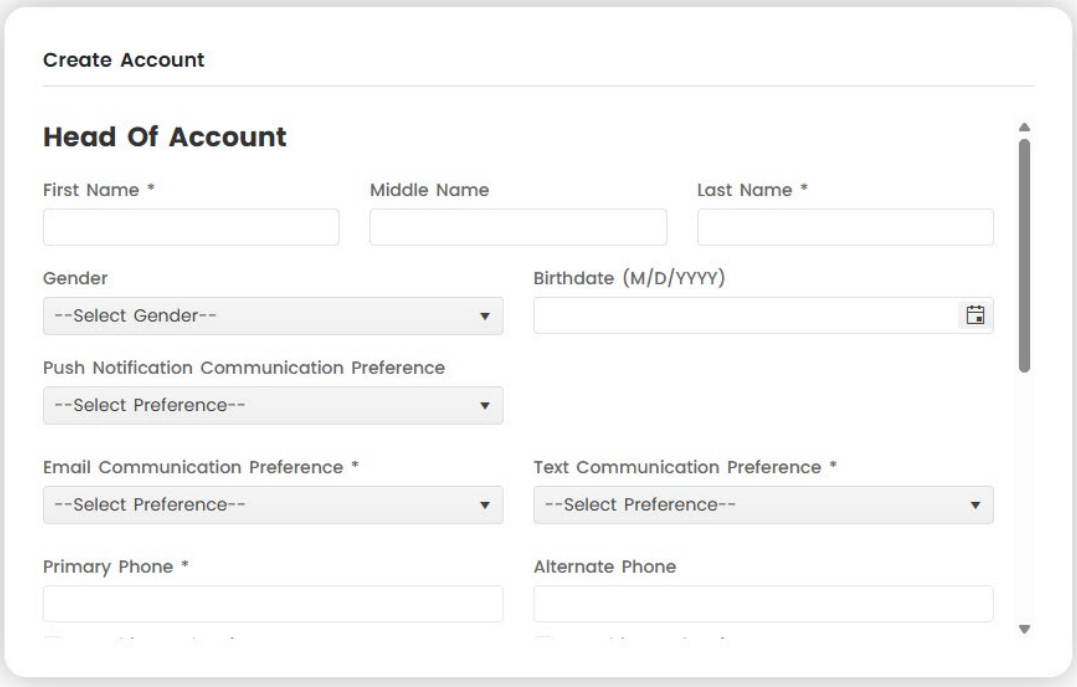

Step 3: Enter the Primary Account Holder Information

Complete the information requested for the **Head of Account** or primary contact.

This may include:

- First Name
- Last Name
- Gender
- Birthdate
- Email Communication Preference
- Text Communication Preference
- Primary Phone Number
- Emergency Contact
- Emergency Phone Number
- Address
- City
- Province
- Postal Code

When all required information has been entered, select **Next**.

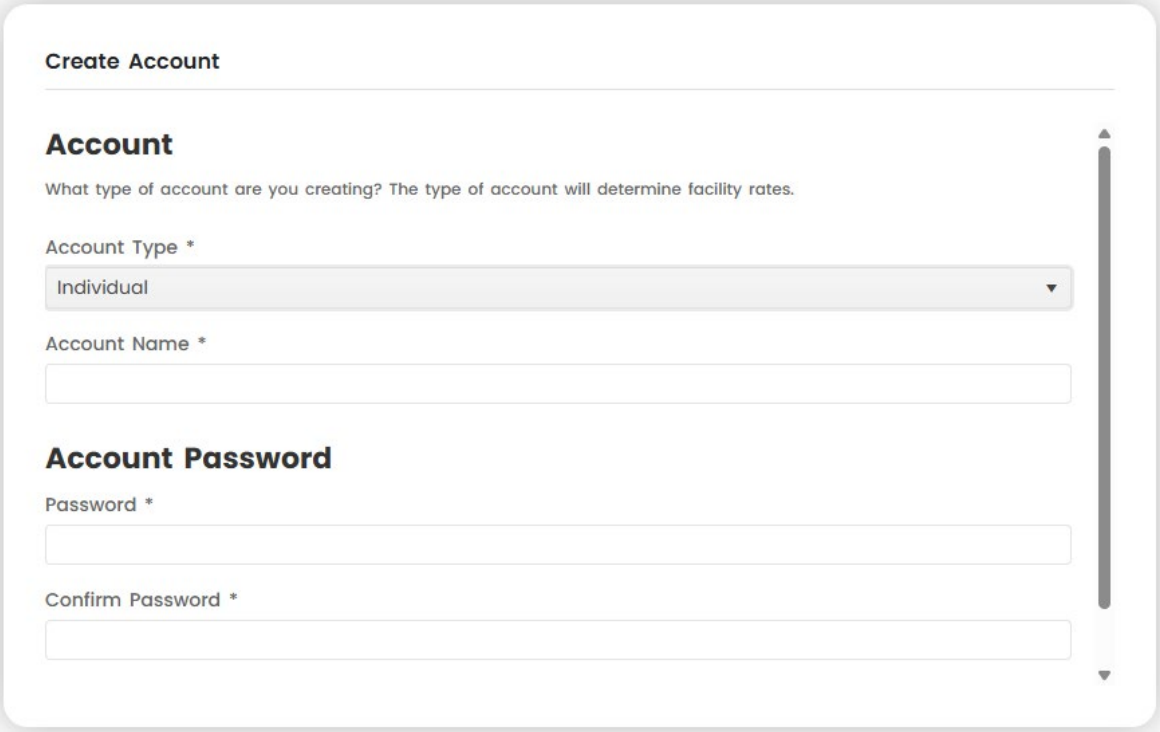

Step 4: Set Up Your Account

Under **Account Type**, select **Individual**, **Organization** or **Blood Tribe Nation Member**

In the **Account Name** field, enter the first and last name of the primary account holder.

Create a password for your account and enter the same password again in the **Confirm Password** field.

Select **Next**.

Step 5: Verify Your Email

FinnlySport will send a **security code** to the email address you entered when creating your account.

Check your email for the security code.

Enter the code in the **Security Code** field and select **Next**.

Your Twin Rinks FinnlySport account is now created!

You can now use your account to access available Twin Rinks registrations, programs and other online services.

Already Have an Account?

If you receive an **Account(s) Exist** message when entering your email address, an account may already be associated with that email.

Select **No** to return to the login screen.

On the login page, select **Reset Password?**

Enter your email address and create a new password. A security code will be sent to your email address to complete the password reset.

Once your password has been reset, return to the login page and sign in using your email address and new password.

Need Help?
